

Sheffield Allotment Federation

NEWSLETTER

Did you know? If you are a plotholder in Sheffield, then you are a member of the SAF!

SAF NEWSLETTER LAUNCH

After a successful AGM we have decided to launch a regular newsletter to help keep you in touch with what is happening in the Allotment world, and also give you an opportunity to share the many great things that Sheffield's Associations and plot holders are doing! So if you are planning an event or have completed a project that you are proud of-let us know and we will include your article in the next edition.

DATES TO REMEMBER

The next Executive meeting will be held at the Farm Road club
Farm Rd, Sheffield S2 2TP.

The meetings start at 7 p.m.

Tuesday Feb 12th

Tuesday March 12th

Tuesday May 14th

Tuesday Oct 8th

AGM Tuesday Nov 26th

All plot holders & Pigeon
Keepers are welcome

The next Newsletter will be out in June so please send us any news, events etc. that you would like to include by the end of May 2019.

To contact us

E-mail: sheff.allot@gmail.com

Michael Jordan (President) on 07961091582 or Phil Webster (Vice President) on 07815533287

We have a Website: <http://sa-federation.co.uk/>

OF INTEREST

Any Allotment associations or green finger groups can obtain free public liability insurance by attending several meetings annually: of the Sheffield Green Spaces Forum

ALLOTMENT TIP---Did you know that.....

Soluble aspirin is a pot plant 'pick me up'. Dissolve a tablet in water and apply to your pot plants once every three weeks and they will thrive!

The Rose Bowl Award.

In the past we have run several successful allotment competitions which have slowly fell by the wayside over the years. However there has been some interest this year so we will be resurrecting this one. Details to follow

The Way Forward.

Rodney Hill allotments recently piloted a scheme in which they took control of their own water supply where upon any monies saved went back into the associations bank account, this to be spend on site improvements. It proved extremely successful the first year. It will be interesting to see how successful it will be this year after last summer's heat wave.
